

Goals and Gummies Day!

Friday, October 27, 2017

Now that we are into October, it's time to think of goals for the year!

Step one: Think of a goal you have this year. It can be a learning goal at school, or maybe it is a goal you have outside of school. Talk with your teacher and parents to come up with something you want to get better at!

Step two: Create a hat that shows off what your goal is. You can use things you find around the house, you can draw on your hat, or you can attach things to the hat that explain your goal to others. Make sure your goal is written somewhere on your hat.

Step three: Bring in a \$1.00 to donate to the Alfred PTSA to wear your hat and get gummies on Friday, October 27th!
